Friday 29th March 2019

Dear Families,

It's non-stop learning and engagement here at Pennine View ; pupils in Harrier Class have completed exciting learning at Austerfield, a girls group from Eagles Class have been practicing life skills at Harmony House, a group from Upper School have successfully completed week 3 of their Essential Life Skills course at the Tom Hill's Boxing centre and our Year 11's are working very hard towards final Accreditation deadlines!!

Amazing Achievement!:

Cadey and Theo attended the Doncaster Skills Academy awards ceremony on Wednesday following their nomination for pupil of the year. To have reached the final shortlist was an amazing achievement, given that pupils are nominated from across Doncaster. Rightly and deservedly so, they received overwhelming recognition for their presentation to businesses and were awarded a finalists certificate. We are all extremely proud of their achievements – WELL DONE!!

Parental Questionnaire:

Thank you to all parents that returned our spring term questionnaire. The feedback we have received is incredibly important to the work of our school. Our Parental Engagement Working Group, during the Summer term, will be considering your responses and will be looking at the ideas you have provided to ensure that our school continues to improve so that it is the best that it can be!

E-safety Message:

This week's safety message is in relation to Roblox which according to the Roblox website 'is the world's largest interactive social platform for play'. I am aware that many of our pupils play Roblox, however, there are many hidden dangers that the following link will explain and provide top-tips for parents:

<https://nationalonlinesafety.com/resources/platform-guides/roblox-parents-guide/>

Attendance:

Whole School Attendance:			
School benchmark: 94% or above		93.0%	
100% Attendance	105 pupils out of 121		

Yours sincerely,

S. Mulhall

Sarah Mulhall - Headteacher
