Dear Families,

I hope you are all well and you all enjoyed family time together during the Spring Bank half term. I'm looking forward to seeing as many of you as possible at our summer events which are being held throughout this half term. A full comprehensive list of all of our planned events has been provided for you in order to give you as much time as possible to make arrangements so that you can come along and join us.

House Team Winners:

It was a closely fought contest to secure as many Dojo points as possible to be crowned House Team winners for the Summer 1 term. Creators were the proud House Team to gain the winners title at the end of last half term. All pupils in the Creators House Team will have a reward afternoon in recognition of their efforts!

Transport & Medical Needs:

I have recently met with the Transport Manager to review our pupil's home to school transport provision. As part of our discussions I raised concerns that some parents have brought to my attention. One of the aspects discussed was the sharing of medical information in order for Drivers and Passenger Assistants to have an awareness of a child's medical needs. In order to share information with other services we need to seek your permission. An additional letter will be sent home next week for you to complete which will request an update of medical needs. This information will be shared with each bus route and a copy given to the Driver.

Birds of Prey:

Eagles, Falcons and Harriers had a visit from Wise Owl Bird Sanctuary this morning. Wayne brought in 6 different birds for us to look at. He told us lots of interesting facts about the birds and he let them fly in the hall. We also had the chance to hold a 'little owl'. It was a fantastic experience and we all enjoyed it. A huge thank you to Wayne!

Attendance:

Whole School Attendance:			
School benchmark: 94% or above		90.5%	
100% Attendance	106 pupils out of 123		

Yours sincerely,

S. Mulhall
