Friday 28th June 2019

Dear Families,

This week has been a busy week as ever.... We have been visited by the Deputy CEO David McNaught who visited classrooms, our Year 11's enjoyed their Leavers outing, Eagles Class have worked with a DJ to make their own music track, one of our Year 11's showcased his Director skills of his own scripted version of Harry Potter and the Best Picture Ceremony! The school has ended its week by paying tribute to the hard work and successes of our Year 11 pupils who we have said our final goodbyes to!

Year 11's:

Our Year 11 pupils are truly a credit to our school! At the beginning of the school year their leaving date seemed so far away yet here it is! They have all been on their own unique journey and to see them as the fine young men and ladies that they have become is a very proud moment. Leaving school is the first step into adulthood and one that brings nervousness and excitement – I know that our pupils are ready and I am sure they will continue to Learn...Enjoy...Achieve within their Post 16 provisions! Good Luck and Goodbye to the 2019 Year 11 Leavers!

Trust News:

Exciting news for September, Heatherwood and Coppice Special Schools will be joining Nexus. This means that Pennine View will be working more closely with the Doncaster Special Schools to ensure that our provision for our children and young people is the best it can be! In addition, our school will be developing partnerships for staff and pupils with The Doncaster Deaf Trust and North Ridge Community School. I am a firm believer that together we can achieve more – I can't wait to see what opportunities our new partnerships will bring for both our pupils and our staff.

Maths Fun Day:

Today pupils have attended Abbey Special School in Rotherham to complete a Maths fun day with other children and young people from across the Trust. Pupils have completed active Maths within the grounds of Abbey School in order to increase engagement and to develop relationships with pupils in other schools. The pupils have thoroughly enjoyed the experience and Miss Whitehead is currently in the process of organising another session planned for delivery at our school!

Attendance:

Whole School Attendance:			
School benchmark: 94% or above		91%	
100% Attendance	93 pupils out of 123		

Yours sincerely,

S. Mulhall

Sarah Mulhall - Headteacher
